

Church Warden's Report 2025

It is hard to believe that it is a year since I joined Richard Purdom as Church Warden. It has gone by so quickly.

The last twelve months have been a learning curve for me and I have been grateful to Karen and Richard for their support and help as I have taken on this new role.

I am sure that Richard will agree that we have had a few challenges, when we discovered that the Lychgate roof tiles had been stolen and a large pile of mud had been fly tipped outside the gates! Organising the Lychgate repairs took a lot of Richard's time.

The Rev'd Chris continues to be a breath of fresh air, encouraging us as a church to think 'outside the box' as we consider what work needs to be done to the church building. We are also working together on ways that we can work more closely with the community. We want to 'grow' the church and 'grow our Christian faith in the months ahead.

As always we are very grateful to the PCC and to every member of the church family who work with us to ensure the smooth running of the church week by week. It is appreciated.

We look forward with anticipation to all the next twelve months holds for us, as we plan together the improvements needed to the church building and look to outreach into the community in new ways.

May God guide and bless every step that we take together.
