Our nominated charity is the Arpana School, Bangalore, India to whom we shall make a donation. Other monies to Church Funds.

Arpana is a project related to the church in Bangalore which provides loving care and education for children of all ages with disabilities ranging from Cerebral Palsy to Downs Syndrome, in a country where there is little to no support for disabilities such as these.

Parents often must to work to support the family and are unable to help these children. Loving care and attention is given to these children by a dedicated team with few resources.

The principal is Mrs Vasanthi Saduri who is truly dedicated to the children, and made us so welcome.
