

YOUR CHURCH WEDDING

*Chipping Sodbury
Church*

Firstly, congratulations on considering getting married and we are really glad you are looking into the possibility of a Church Wedding. Our Churches have been hosting weddings for hundreds of years and we would be delighted to explore the possibility of you getting married in one of our beautiful Churches.

The first thing we want to say is that our local Churches are there for everyone, there are a few legal requirements for getting married in church, but being a Christian or a regular churchgoer is not one of them.

There is also a belief that a Church wedding is really

Horton Church

Little Sodbury Church

expensive and we don't believe this is true. A Church wedding can cost from £556. There are optional extras such as Church Bells, Organ or Choir which would increase this figure, but you can choose what you want to include, to make the day individual and special for you. Each of our churches in the Sodbury Vale Benefice have slightly different costs and will offer a different feel and experience. They vary in size and the

facilities they can offer, so one of them might be ideal for your needs.

Do take some time exploring our Churches which are usually open during the day and think about whether any of them feel like the place you would like to get married. We want the wedding you have, to be the wedding you wanted. So please do get in touch as we would love to have a conversation with you.
