Oldbury and Oldbury Naite

This is a largely flat walk of just under 5miles starting near The Anchor in Oldbury. We head towards the sailing club to access the embankment along the River Severn, with a splendid view of the bridge. We travel northward along the embankment until just before the power station, where we turn right to pass the lake and then head across fields to Oldbury Naite. We return through more fields back to Oldbury. Some of the fields are quite wet so come prepared. If it is too bad we may return along the road. No cafe en-route, so bring drinks as required. Lunch will be available at the Anchor after the walk for those wishing to partake.

Meet at 09.30 at The Ridings car park to share lifts.

Please contact Rosie 44 7932 043727 who is leading, if you have any questions
