## **November 20<sup>th</sup> Shipton Moyne 5 Miles**

### **Wednesday, November 20th**

#### **Shipton Moyne 5 Miles**

We start from the centre of the village, crossing a couple of fields and then take a small section of minor road before following a long bridle way, known as Wormwell lane. This leads to a minor road and then through fields down to and along a stream. We round Thorn Covert and rise slightly into Estcourt Park. Following a driveway we pass the Estate office and the back of the main house before crossing fields occupied by horses (very docile!) We return from Hodges Farm via a tree lined path back to the village and The Cat and Custard Pot, where we will adjourn for lunch.

This walk is mainly on the level: one steepish but very short downhill and the slight rise mentioned. Conditions were firm underfoot this week with a few muddy patches on the bridleway but easily avoided unless we have a deluge in the next week. I saw a Red Kite so we may be lucky.

Meet at 09.30 at The Ridings car park to share lifts.

Please contact Anne who is leading, if you have any questions
