Wednesday, February 19th Frampton Mansell

Meet at 09.30 at The Ridings car park to share lifts.

Leaving Frampton Mansell on a minor road we take a path through woodlands, (muddy in places but avoidable), descending gently to the now defunct Thames and Severn Canal, where tunnels and bridges are still visible. After a short distance on the towpath we stop at the Daneway Inn for coffee. We then follow the towpath on a good surface back to opposite Frampton Mansell, where a very short climb takes us up to a level crossing and back to The Crown Inn for lunch. This is just under 4 miles but we can extend by about a mile if people wish, we can discuss this on the day!

Anne is leading, contact numbers at the top.
