Wednesday, Newark Park 4.3 miles

Meet at 09.30 at The Ridings car park to share lifts.

This is a return visit to Newark Park and I thought we would go anti clockwise this time! The walk involves a section of the Cotswold Way from Newark Park to Waterley Bottom which is good underfoot, apart from the lower end which is a rather stony gully but not too narrow. One section is along the minor road along the valley and the third part is up through Newark Park again good underfoot. The snowdrops should hopefully still be flowering or maybe there will be plenty of daffodils by then. Bring your own tea/coffee. The café will provide us with a snack type lunch but not a cooked meal.

Anne is leading, contact numbers at the top.
