Meet at 9.30am at the Riding's playing fields car park to share lifts.

A 4 mile walk around the farming village of Tormarton and some of its immediate environs. It is an easy going flat walk with one simple stile to negotiate. The walk passes some interesting buildings in this Cotswold village and the attractive village pond. Then out into farmland before returning to the village. No cafe en route, so bring light refreshments as required. Lunch will be available afterwards at a local hostelry.
