Wednesday, December 16th Local around Chipping Sodbury 4 miles

Wednesday November 18th Frome Source. 4.5 miles

The River Frome, which runs through Sodbury Vale Benefice including the centre of Chipping Sodbury town, has its source high up in Doddington Park above Old Sodbury. This circular walk begins at The Dog in Old Sodbury, crossing a number of fields to the back gate of Doddington Park. It is then up through the Park to the Frome source and back down again. The return to The Dog is through a different set of fields. There are one or two quite steep but short climbs on the outward journey and a couple of short stretches in Doddington Park which can be muddy. Dogs MUST be kept on leads in the Park. Bring drinks/snacks as you wish for the walk and lunch will be available at The Dog at walk's end.

Meet in the Ridings car park at 0930 to share lifts.
